APT-103: Safety in Adverse Weather

APT-103: SAFETY IN ADVERSE WEATHER

This course provides an introduction to safety in adverse weather conditions such as snow, ice, fog, high winds, and heavy rain.

Topics covered include vehicle preparation, driver preparation, and driving tips for adverse weather conditions. A course outline is contained below.

➤ **Module 01: Vehicle Preparation**

This module covers vehicle preparation, including vehicle checks and recommended equipment for various adverse weather conditions.

➤ **Module 02: Driver Preparation**

This lesson covers driver preparation for adverse weather conditions. Topics covered include recommended equipment, avoiding slips & falls, and dealing with driver fatigue.

➤ **Module 03: Heavy Rain, Fog, & High Winds**

This lesson provides practical tips and advice on driving in low visibility, heavy rain, flooding, fog and high winds.

➤ **Module 04: Extreme Cold, Snow and Ice**

This lesson provides practical tips and advice on driving in extreme cold, snow and ice.

Driver Preparation - Trips and Falls

Slips, trips, and falls account for the greatest number of accidents in the workplace.

Snowy and icy weather makes slips and falls more likely, so take extra care during the winter months.

Take particular care when climbing to enter or exit your vehicle or when climbing to access the load – use 3 points of grip at all times.

Driving in Adverse Weather - Black Ice

Lesson Summary

- ✓ Prepare your vehicle well in advance of any adverse weather conditions.
- ✓ Check that you have the right equipment for forecasted weather.
- ✓ Pay extra attention to daily checks during adverse weather.
- ✓ You should check safety-related items such as brakes, tyres, lights, windscreen, wipers, and mirrors.
- ✓ In addition, you should check your batteries, fuel, mud flaps, and any straps or curtains.

PLATFORM FEATURES

User-friendly Lessons

The course content has been designed to be easy-to-follow, yet contains the key knowledge needed to keep your team safe.

Mobile-Friendly

Train anywhere, anytime, with a system designed to support phones, tablets, or PCs.

Training Records

Training records are available online 24/7 for every driver - perfect for demonstrating a safety culture to your insurance company.

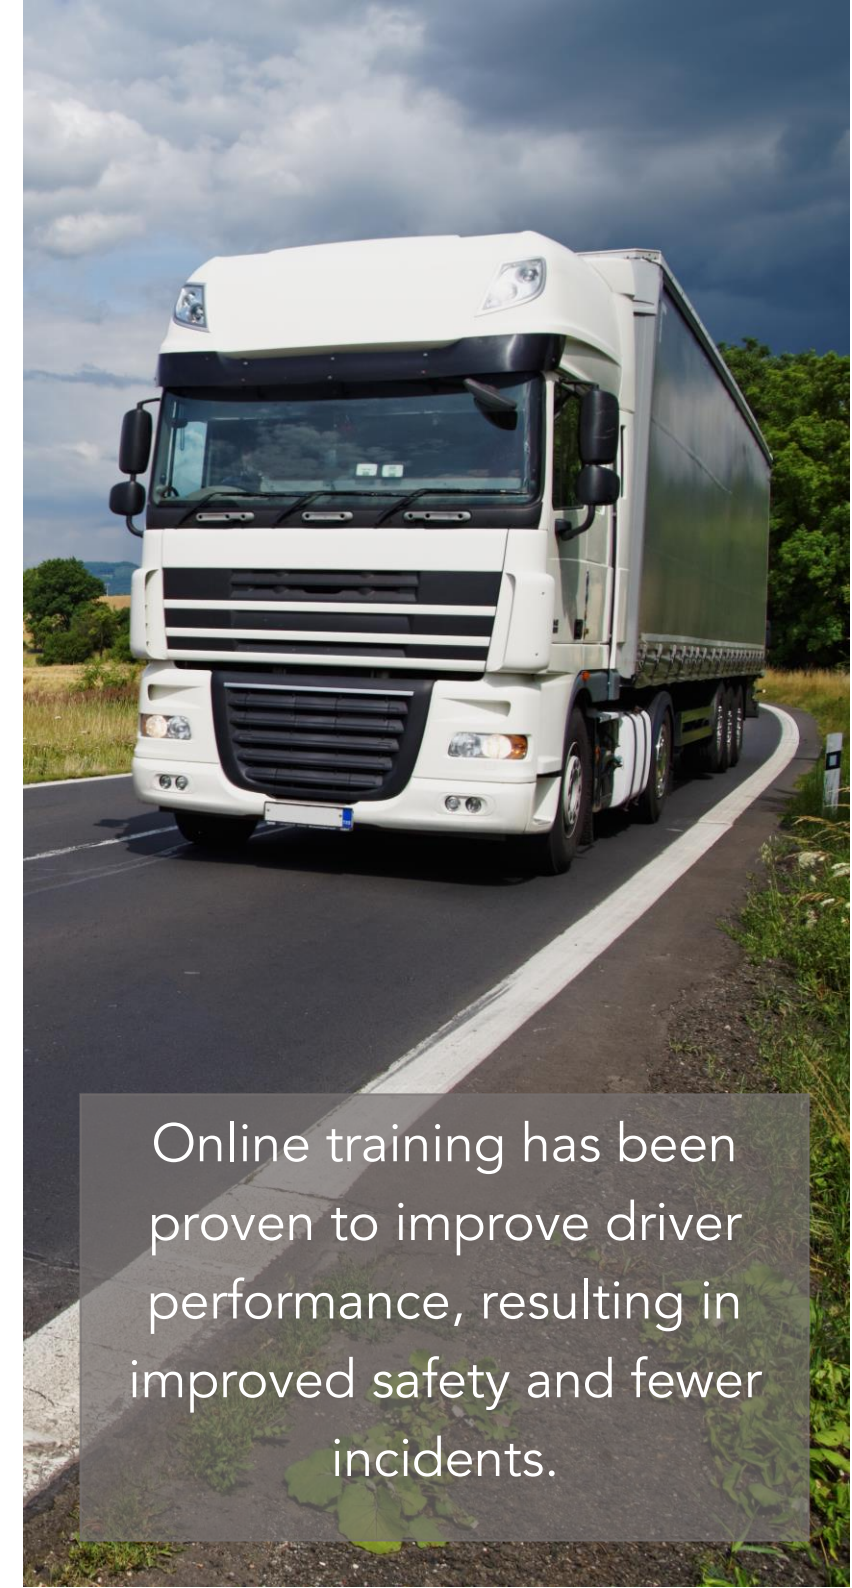

Resource Centre

Checklists, procedures, and best practices available for your team in the Resource Centre.

COURSE BENEFITS

- ✓ Improved Safety Practices
- ✓ Improved Driver Awareness
- ✓ Reduced Training Time
- ✓ Improved Driver Morale
- ✓ Reduced Training Costs
- ✓ Better Preparation = Less Disruption
- ✓ Reduction in Safety Incidents
- ✓ Lower Insurance Costs

Online training has been proven to improve driver performance, resulting in improved safety and fewer incidents.

Our online courses are available anytime, anywhere, on any device. Start improving your team today.

Regular training is the proven way to make a sustained improvement to your driver's skills. Online training with Aptarus is the best way to reach all your drivers with effective training – for the smallest investment in time and money. Try it for yourself by visiting our web site and signing up today or call us to arrange a free trial.
